INSPECTION OF LISTS RETURNED—APPEALS FROM, ETC.

SEC. 15. *And be it further enacted*, That the assessors for each collection district shall, by advertisement in some public

newspapers published in each county within said district, if any such there be, and by written or printed notifications, to be posted up in at least four public places within each assessment district, advertise all persons concerned, of the time and place within said county when and where the lists, valuations and enumerations made and taken within said county may be examined; and said lists shall remain open for examination for the space of fifteen days after notice shall have been given as aforesaid. And said notifications shall also state when and where within said county, after the expiration of said fifteen days, appeals will be received and determined relative to any erroneous or excessive valuations or enumerations by the assistant assessors. And it shall be the duty of the assessor for each collection district, at the time fixed for hearing such appeal as aforesaid, to submit the proceedings of the assistant assessors, and the lists taken and returned as aforesaid, to the inspection of any and all persons who may apply for that purpose. And the said assessor for each collection district is hereby authorized, at any time within fifteen days from and after the expiration of the time allowed for notification as aforesaid, to hear and determine, in a summary way, according to law and right, upon any and all appeals which may be exhibited against the proceedings of the said assistant assessors: *Provided*, that the question to be determined by the assessor, on an appeal respecting the valuation or enumeration of property, or objects liable to duty or taxation, shall be, whether the valuation complained of be or be not in a just relation or proportion to other valuations in the same assessment district, and whether the enumeration be or be not correct. And all appeals to the assessor, as aforesaid, shall be made in writing, and shall specify the particular cause, matter or thing respecting which a decision is requested; and shall, moreover, state the ground or principle of inequality or error complained of. And the assessor shall have power to re-examine and equalize the valuations as shall appear just and equitable; but no valuation or enumeration shall be increased without a previous notice, of at least five days, to the party interested, to appear and object to the same, if he judge proper; which notice shall be given by a note in writing, to be left at the dwelling-house, office or place of business of the party by such assessor or an assistant assessor.

ASSESSORS TO REPORT LISTS TO COLLECTORS.

SEC. 16. *And be it further enacted*, That the said assessors of each collection district, respectively, shall, immediately after the expiration of the time for hearing appeals, and from time to time, as duties, taxes or licenses become liable to be assessed, make out lists containing the sums payable according to the provisions of this act upon every object of duty or taxation in and for each collection district, which lists shall

contain the name of each person residing within the said district owning or having the care or superintendence of property lying within the said district which is liable to the said tax, or engaged in any business or pursuit requiring a license, when such person or persons are known, together with the sums payable by each; and where there is any property within any collection district liable to the payment of the said duty or tax not owned or occupied by or under the superintendence of any person resident therein, there shall be a separate list of such property, specifying the sum payable, and the names of the respective proprietors, where known. And the assistant assessor making out any such separate list shall transmit therefrom to the assistant assessor, where the persons liable to pay such tax reside or shall have their principal place of business, copies of the list of property held by persons so liable to pay such tax, to the end that the taxes assessed under the provisions of this act may be paid within the collection district where the persons liable to pay the same reside or may have their principal place of business. And in all other cases the said assessor shall furnish to the collectors of the several collection districts, respectively, within ten days after the time of hearing appeals, and from time to time thereafter as required, a certified copy of such list or lists for their proper collection districts; and in default of performance of the duties enjoined upon assessors by this section they shall severally and individually forfeit and pay the sum of five hundred dollars to the use of the United States; and, moreover, shall forfeit their compensation as assessors: *Provided*, that it shall be in the power of the Commissioner of Internal Revenue to exonerate any assessor as aforesaid from such forfeitures, in whole or in part, as to him shall appear just and equitable.

PAY TO ASSESSORS AND ASSISTANTS. *

SEC. 17. *And be it further enacted*, That there shall be allowed and paid to the several assessors and assistant assessors, for their services under this act—to each assessor three dollars per day for every day employed in making the necessary arrangements and giving the necessary instructions to the assistant assessors for the valuation; and five dollars per day for every day employed in hearing appeals, revising valuations, and making out lists agreeable to the provisions of this act; and one dollar for every hundred taxable persons contained in the tax list, as delivered by him to said collectors, and forwarded to the Commissioner of Internal Revenue; to each assistant assessor three dollars for every day actually employed in collecting lists and making valuations, the number of days necessary for that purpose to be certified by the assessor and approved by the Commissioner of Internal Revenue; and one dollar for every hundred

taxable persons contained in the tax list, as completed and delivered by him to the assessor. And the said assessors and assistant assessors, respectively, shall also be allowed their necessary and reasonable charges for stationery and blank books used in the execution of their duties, and the compensation herein specified shall be in full for all expenses not otherwise particularly authorized: *Provided*, the Secretary of the Treasury shall be, and he is hereby, authorized to fix such additional rates of compensation to be made to assessors and assistant assessors in the States of California and Oregon and the Territories, as may appear to him to be just and equitable in consequence of the greater cost of living and traveling in those States and Territories, and as may in his judgment be necessary to secure the service of competent and efficient men, provided the rates of compensation thus allowed shall not exceed the rates paid to similar officers in such States and Territories respectively. In cases where a collection district embraces more than a single Congressional district, the Secretary of the Treasury may allow the assessor such compensation as he may deem necessary.

AGGREGATE LISTS.

SEC. 18. *And be it further enacted*, That each collector, on receiving a list, as aforesaid, and from time to time as such lists may be received from the said assessors respectively, shall subscribe three receipts, one of which shall be given on a full and correct copy of such list; which list shall be delivered by him to, and shall remain with, the assessor of his collection district, and shall be open to the inspection of any person who may apply to inspect the same; and the other two receipts shall be given on aggregate statements of the lists aforesaid, exhibiting the gross amount of taxes to be collected in his collection district; one of which aggregate statements and receipts shall be transmitted to the Commissioner of Internal Revenue, and the other to the First Comptroller of the Treasury; and all lists received from time to time, as aforesaid, shall be in like form and manner transmitted as aforesaid.

TAX-COLLECTION—PENALTY FOR NON-PAYMENT, ETC.

SEIZED PROPERTY, AND TITLES THEREFOR.

SEC. 21. *And be it further enacted*, That in any case where goods, chattels or effects sufficient to satisfy the duties imposed by this act upon any person liable to pay the same, shall not be found by the collector or deputy collector whose duty it may be to collect the same, he is hereby authorized to collect the same by seizure and sale of real estate; and

the officer making such seizure and sale shall give notice to the person whose estate is proposed to be sold, by giving him in hand, or leaving at his last and usual place of abode, if he has any such within the collection district where said estate is situated, a notice in writing, stating what particular estate is proposed to be sold, describing the same with reasonable certainty, and the time when and place where said officer proposes to sell the same, which time shall not be less than ten nor more than twenty days from the time of giving said notice; and the said officer shall also cause a notification to the same effect to be published in some newspaper within the county where such seizure is made, if any such there be, and shall also cause a like notice to be posted up at the post-office nearest to the place of residence of the person whose estate shall be so seized, and in two other public places within the county; and the place of said sale shall not be more than five miles distant from the estate seized. At the time and place appointed, the officer making such seizure shall proceed to sell the said estate at public auction, offering the same at a minimum price, including the amount of duties, with the ten per centum additional thereon, and all charges for advertising, and an officer's fee of ten dollars; and if no person offers for said estate the amount of said minimum, the officer shall declare the same to be purchased by him for the United States, and shall deposit with the District Attorney of the United States a deed thereof, as hereinafter specified and provided, otherwise the same shall be declared to be sold to the highest bidder; and said sale may be adjourned by said officer for a period not exceeding five days, if he shall think it advisable so to do. If the amount bid shall not be then and there paid, the officer shall forthwith proceed to again sell said estate in the same manner. If the amount bid shall be then and there paid, the officer shall give his receipt therefor, if requested, and within five days thereafter he shall make out a deed of the estate so sold to the purchaser thereof, and execute the same in his official capacity in the manner prescribed by the laws of the State in which said estate may [be] situated, in which said deed shall be recited the fact of said seizure and sale with the cause thereof, the amount of duty for which said sale was made, and of all charges and fees, and the amount paid by the purchaser, and all his acts and doings in relation to said seizure and sale, and shall have the same ready for delivery to said purchaser, and shall deliver the same accordingly upon request therefor; and said deed shall be *prima facie* evidence of the truth of the facts stated therein, and if the proceedings of the officer, as set forth, have been substantially in pursuance of the provisions of this act, shall be considered and operate as a conveyance to the purchaser of the title to said estate, but shall not affect the rights of third persons, acquired

previously to the claim of the United States under this act. The surplus, if any, arising from such sale shall be disposed of as provided in this act for like cases arising upon sales of personal property; and any person whose estate may be seized for duties as aforesaid shall have the same right to pay or tender the amount due, with all proper charges thereon, prior to the sale thereof, and thereupon to relieve his said estate from sale as aforesaid, as is provided in this act for personal property similarly situated. And any collector or deputy collector may, for the collection of duties imposed upon any person by this act and committed to him for collection, seize and sell the lands of such person situated in any other collection district within the State in which said officer resides, and his proceedings in relation thereto shall have the same effect as if the same were had in his proper collection district; and the owners, their heirs, executors or administrators, or any person having an interest therein, or any person on their behalf, shall have liberty to redeem the lands sold, as aforesaid, within one year from and after recording the said deed, upon payment to the purchaser, or, in case he can not be found in the county where the lands are situate, to the collector for the use of the purchaser, his heirs or assigns, of the amount paid by the purchaser, with interest on the same at the rate of twenty per centum per annum. And it shall be the duty of every collector to keep a record of all sales of land made in his collection district, whether by himself or his deputies, in which shall be set forth the tax for which any such sale was made, the dates of seizure and sale, the name of the party assessed, and all proceedings in making said sale, the amount of fees and expenses, the name of the purchaser, and the date of the deed, which record shall be certified by the officer making the sale. And it shall be the duty of any deputy making sale, as aforesaid, to return a statement of all his proceedings to the collector, and to certify the record thereof. And in case of the death or removal of the collector, or the expiration of his term of office from any other cause, said record shall be deposited in the office of the Clerk of the District Court of the United States for the district within which the said collector resided, and a copy of every such record certified by the collector, or by the clerk, as the case may require, shall be evidence in any court of the truth of the facts therein stated. And when any lands sold as aforesaid, shall be redeemed as hereinbefore provided, the collector or clerk, as the case may be, shall make an entry of the fact upon the record aforesaid, and the said entry shall be evidence of such redemption. And the claim of the Government to lands sold under and by virtue of the foregoing provisions, shall be held to have accrued at the time of seizure thereof.

State, for the deposit and safe keeping of the moneys collected by virtue of this act, and the receipt of the proper officer of such depository to a collector for the money deposited by him shall be a sufficient voucher for such collector in the settlement of his accounts at the Treasury Department. PROCESS AGAINST DELINQUENTS.

SEC. 70. *And be it further enacted,* That for neglect or refusal to pay the duties provided by this act on manufactured articles, as aforesaid, the goods, wares and merchandise manufactured and unsold by such manufacturer shall be forfeited to the United States, and may be sold or disposed of for the benefit of the same, in manner as shall be prescribed by the Commissioner of Internal Revenue, under the direction of the Secretary of the Treasury. In such case the collector or deputy collector may take possession of said articles, and may maintain such possession in the premises and buildings where they may have been manufactured or deposited, or may be. He shall summon, giving notice of not less than two nor more than ten days, the parties in possession of said goods, enjoining them to appear before the assessor or assistant assessor, at a day and hour in such summons fixed, then and there to show cause, if any there be, why, for such neglect or refusal, such articles should not be declared forfeited to the United States. Such persons or parties interested shall be deemed to be the manufacturers of the same, if the articles shall be at the time of taking such possession upon the premises where manufactured; if they shall at such time have been removed from the place of manufacture, the parties interested shall be deemed to be the person in whose custody or possession the articles shall then be. Such summons shall be served upon such parties in person, or by leaving a copy thereof at the place of abode or business of the party to whom the same may be directed. In case no such party or place can be found, which fact shall be determined by the collector's return on the summons, such notice, in the nature of a summons, shall be given by advertisement for the term of three weeks in one newspaper in the county nearest to the place of such sale. If, at or before such hearing, such duties shall not have been paid, and the assessor or assistant assessor shall adjudge the summons and notice, service and return of the same, to be sufficient, the said articles shall be declared forfeit and shall be sold, disposed of, or turned over to the use of any Department of the Government, as may be directed by the Secretary of the Treasury, who may require of any officer of the Government into whose possession the same may be turned over the proper voucher therefor: *Provided,* that the proceeds of the sale of said articles, if any there be after deducting the duties thereon, together with the expenses of summons, advertising, and sale, or the excess of the value of said articles, after deducting the duties and expenses accrued thereon when turned over to the use of any Department of the Government, shall be refunded and paid to the manufacturer, or to the person in whose custody or possession the

articles were when seized. The Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, may review any such case of forfeiture, and do justice in the premises. If the forfeiture shall have been wrongly declared, and sale made, the Secretary is hereby authorized, in case the specific articles can not be restored to the party aggrieved in as good order and condition as when seized, to make up to such party in money his loss and damage from the contingent fund of his department. Immediate return of seizures so forfeited shall be made to the Commissioner of Internal Revenue, by the collector or deputy collector who shall make any such seizure. Articles which the collector may adjudge perishable may be sold or disposed of before declaration of forfeiture. Said sales shall be made at public auction, and notice thereof shall be given in the same manner as is provided in this section in case of forfeiture.

PENALTY FOR VIOLATION, ETC.

SEC. 71. *And be it further enacted*, That any violation of, or refusal to comply with the provisions of the 68th section of this act, shall be good cause for seizure and forfeiture, substantially in manner as detailed in the section next preceding this, of all manufactured articles liable to be assessed under the provisions of this act, and not otherwise provided for; and such violation or refusal to comply, shall further make any party so violating or refusing to comply, liable to a fine of \$500, to be recovered in manner and form as provided in this act.

SEC. 72. *And be it further enacted*, That in case of the manufacture and sale or delivery of any goods, wares, merchandise or articles as hereinafter mentioned, without compliance on the part of the party manufacturing the same with all or any of the requirements and regulations prescribed in this act in relation thereto, the assistant assessor may, upon such information as he may have, assume and estimate the amount and value of such manufactures, and upon such assumed amount assess the duties, and said duties shall be collected in like manner as in case the provisions of this act in relation thereto had been complied with, and to such articles all the foregoing provisions for liens, fines, penalties and forfeitures, shall in like manner apply.

EXEMPTIONS FROM THE TAX.

SEC. 73. *And be it further enacted*, That all goods, wares and merchandise, or articles manufactured or made by any person or persons not for sale, but for his, her or their own use or consumption, and all goods, wares and merchandise, or articles manufactured, or made and sold, except spirituous and malt liquors, and manufactured tobacco, where the annual product shall not exceed the sum of six hundred dollars, shall be and are exempt from duty: *Provided*, that this shall not

RÉGULATIONS FOR SUPPLY AND USE OF DIES, ETC.

The Commissioner of Internal Revenue has established the following regulations in regard to individual stamps for proprietary articles enumerated in Schedule C of the Excise law:

First. Every proprietor can furnish a design for a stamp, which, if approved, will be engraved by the Government engravers at the cost of the proprietor.

Second. In such cases the proprietor will be entitled to the discount specified in the 102d section of the Excise law.

Third. If the designs do not exceed the superficial area, thirteen-sixteenths of an inch, for the denomination of one or two cent stamps, or sixty-three sixty-fourths of an inch for the denomination of three or four cent stamps, these being the sizes established by the office for the above specified denominations, there will be no additional charge to purchasers. If, however, proprietors desire to increase the size of the stamps for the denominations above mentioned, then an additional charge will be made for the cost of paper and printing. This additional charge will be ten cents per thousand for stamps of three and one-eighth inches superficial area, and a proportionate sum for intermediate sizes.

Fourth. Every stamp must be rectangular in form.

Fifth. All dies and plates will be retained by, and be under the exclusive control of the Government.

Sixth. The general stamp must be canceled by writing thereon the initials of the proprietor of the stamped article, and the date of canceling, while the private stamp must be so affixed on the package, that on opening the same the stamp shall be effectually destroyed.

Seventh. Where printing in more than one color is desired, the additional expense must be borne by the proprietor.

Eighth. Each stamp must bear the words, or a proper abbreviation of the words, "United States Internal Revenue," and the name of the article; also, in word and figures, the denominations of the stamp.

INCOME TAX FOR 1862.

The Income Tax is imposed upon a certain proportion of the income of these two classes, viz:

1st. Every person residing in the United States; and every citizen residing abroad who is in the employment of the Government of the United States.

2d. Every citizen of the United States residing abroad, and not in the employment of the Government of the United States.

Every person in the *first* class will be taxed at the rate of *three* per cent. when his or her annual gains, profits, or income exceed \$600, and do not exceed \$10,000.

Every person in the *first* class will be taxed at the rate of *five* per cent. when the annual gains, profits, or income exceed \$10,000, after the following deductions are made from the gross amounts returned, (as per table, page 2,) viz:

1st. The \$600 allowed by law.

2d. Other national, State, and local taxes assessed for 1862, and paid.

3d. Rent actually paid for the dwelling-house or estate occupied as the residence of the person assessed.

4th. Necessary repairs to property yielding the income; or insurance thereon; or pay for hired laborers, and their subsistence, employed in conducting his business; or interest on incumbrances upon the property; or all, as the case may be.

Every person in the *second* class will be taxed at the rate of *five* per cent., whatever may be his or her annual gains, profits, or income from property, securities, and stocks owned in the United States, without other deductions than numbers 2 and 4 above stated.

Whenever the taxable income of a resident in the United States, ascertained as above, exceeds \$10,000, and upon a portion of said amount three per cent. has been withheld by the officers of companies, corporations, and associations, from interest or dividends therein due him, such income will be subject to a tax of *two* per cent. additional upon so much thereof as may have been previously subjected to a duty of three per cent. by the officers of the companies, corporations, or associations aforesaid.

But in no case, whether a person is subject to a tax of three or five per cent., is a higher rate of tax than $1\frac{1}{2}$ per cent. to be collected from that portion of income derived from interest upon notes, bonds, or other securities of the United States.

Where a husband and wife live together, and their taxable income is in excess of \$600, they will be entitled to but one deduction of \$600, that being the average fixed by law as an estimated commutation for the expense of maintaining a family. Where they live apart, by divorce or under contract of separation, they will be taxed separately, and be each entitled to a deduction of \$600.

On the following pages will be found detailed statements to assist in making out returns.
